The Caregiver Awareness Message

Caregiving affects the whole family: children, parents, grandparents and siblings.

Caregivers play an important role in our work force and our society.

The number of caregivers in our community is increasing yearly.

Caregivers save healthcare billions of dollars every year with unpaid medical services.

Caregiver Forum.

Held once a year in the spring, the forum is a day for caregivers to relax, learn and share their experiences and ideas with others. Please call the office for more information.

Mini Workshops

Mini workshops are held in Saskatoon and surrounding areas to deliver educational presentations throughout the year.

Call (306) 652-4411 to learn more or to add your name to our invitation list.
